Dear Paul,

My machine will not make a good copy of the enclosed. Therefore, when you make one for yourself, if you will make me about five others, I will send them around and see if I can get more for you. It occurs to me that in time some of the other names will be of interest to you.

I may get more. If I do I will send it promptly. I suspect this may be enough for your immediate purposes.

First reference to Coven America is marked in red on the second page of the news story. It is repeated in the typed attachment.

When you have finished, would you please return?

Best Regards,

Harold Weisberg
